1. Reading

Read the following paragraph then chose the correct answer:

Have you ever enjoyed the cool refreshment of a popsicle on a hot, summer day? If so, you have an 11-year-old boy named Frank Epperson to thank. One winter day in 1905, young Epperson was making soda pop by mixing powdered soda and water. He accidentally left the mixing bucket outside with the mixing stick in it overnight. That night, the temperature reached freezing. In the morning, Epperson discovered that the fruit-flavored liquid had frozen to the stick. Although he tried and liked his invention, it wasn't until eighteen years later that it occurred to him to turn his invention into a business. Epperson's children referred to this treat made by their pop as a *popsicle*. That name stuck and eventually became the official name. Today popsicles are enjoyed by millions of people around the world.
