Listen to the audio carefully then choose the correct answer:

The bus driver

Ahmed is 59 years old. He has one son his name is Fahd. Ahmed has recently found a job as a bus driver in Jeddah, Saudi Arabia. He works the morning shift from 5:30 to 1:30 and sometimes he has the evening shift finishing around 8 pm. His bus number is 9, which runs north and south a long Al Andalus road. His route is busy, but it is in a nice part of town. Ahmed likes his job very much because he meets lots of people. He works three hours on Sunday, and he has the day off on Friday. He usually spends Fridays with his family or play golf with his friends Omar and Yasser. Next year, Ahmed will be 60 and he is thinking of retiring. His wife wants him to work a little longer because they still owe money for the car they bought. Ahmed has worked hard for the past 40 years, and he wants to retire as soon as possible. He is not worried about money, because his son will help him to pay the car.

Father: Well, I'm not sure if I have that much.

Joshua: Go to the bank. You have lots of money.

Father: Lots of money, uh? Uh, well, I think the bank is closed.

Joshua: Then, what about your secret money **jar** under your bed?

Father: Oh, I guess I could do that. So, what are you going to do with the money?

Joshua: I'm going to put some in savings, give some to the poor people, and use the **rest** to buy books.

Host You are listening to Sports Radio. With me today is Hashim Salman, who will give us some more 'Facts about the Famous'. Who is it this week, Hashim?

Hashim Well, he's one of Saudi Arabia's most talented athletes. He's from Medina and he was born in 1997.

Host I'm going to need more than that to guess.

Hashim Well, he's a runner and he...

Host A runner... I know! It's Abdullah Abkar Mohammed!

Hashim That's right!

Hashim OK, Let's learn more about Abdullah Abkar Mohammed. As I said, he was born in 1997. In 2016, at the age of 19, he became famous when he won the 100 m race at the Mt SAC Relays. He finished the race in only 10,04 seconds, and he became the fastest sprinter under the age of 20.

Host So, how did it all start?

Hashim When he was still in school, he took part in school races. In one of those races, some people saw him and asked him to join the Al-Ansar national club in Medina. Later, he moved to Riyadh and he joined different national clubs.

Host And he also trained in the United States, right?

Hashim That's right. He went to the USA and started training with an American trainer. A bit after that, during the 2016 IAAF World Indoor Championship, he achieved his best time in the 60 m race. He ran 60 m in only 6.64 seconds!

Host That's fast! And in 2016 he also took part in the Olympic Games.

Hashim Yes, he did, and he came in fifth in his first race – which is great for such a young sprinter. And every year, he seems to get better. He had a great year in 2018. He took part in races in New York and he finished fourth, and later in France, got second place.

Host That's impressive!

Hashim It really is.

Host Well, that's all the time we have for today. Tune in tomorrow for more 'Facts about the Famous'.

The Audio script

Adel: What are you doing on the weekend?

Faisal: My plans are still **up in the air**.
Sometimes there's nothing interesting to do, but this weekend I have three good choices.
I don't know which one to do.

Adel: What are the three things? I might be able to help you **make up your mind**.

Faisal: OK. First, Fahd has just graduated from college, and he's invited me to dinner. If I don't go to Fahd's graduation, he's going to be very hurt. I'm one of his closest friends, you know. Second, Khalid invited me to spend the weekend at his family's house at the beach. Third, the airshow is taking place, and Tariq asked me to go with him this weekend.

Adel: What's your preference?

Faisal: I'd much rather go to the airshow. If I don't go this weekend, I may not get another chance to see it.

Adel: **It seems to me**, you should do what you feel like doing. If you go to the airshow, explain to Fahd and Khalid why you're going. I'm sure they'll understand.
