Teacher

The Audio Script

Hana: So, how much do you sleep?

Daniel: Well I think I sleep a lot, usually at least 8 hours I think that's, that's the usual for me. How about you?

Hana: Oh really, about 6 hours I guess, if I have 6 hours that's enough.

Daniel: 6 hours, is that enough?

Hana: Yes and normally because I sleep late and I have to get up early so 6 hours is enough for me.

Daniel: Wow if I sleep 6 hours I would definitely take a nap after lunch. Do you take naps?

Hana: Well it depends. If I don't have any class I would sleep but normally I don't.

Daniel: Wow, how about the weekends do you also sleep like 6 hours?

Hana: No I sleep a lot on Saturdays because I normally didn't have anything to do so I will recharge my batteries and just sleep all morning.

Daniel: How about Sundays?

Hana: On Sundays I normally get up early and do something and spend my Sundays with my friend or go out. How about you?

Daniel: Well, the bad thing is on Saturdays and Sundays I still get up quite early so I don't get to sleep more than the week but since I still, you know, sleep 8 hours every day so I think that's enough and if I'm tired from the week I think I can still take a nap and I will, you know, fix it, so yeah, I think I sleep a lot like more than a lot of people.

Hana: That's good.

Daniel: Yeah, it is

Listen to the audio carefully then choose the correct answer:

Fahd's favorite sport

Fahd is fourteen years old. He lives in Riyadh with his family. He is very fond of sports. But his favourite sport is basketball. His parents encourage him to be a basketball player. He plays basketball at school one time a week, on Mondays. He has been playing basketball since he was eight. He wants to be a professional basketball player. He is a big fan of Yoe Ming. In fact, Yoe Ming is his favourite player. He is in the school team, and they train three days a week. They play matches every Sunday. From time to time, they have tournaments with other schools, and it is quite exciting. In his free time, Fahd likes reading and playing computer games with his friend Omar.

Answer the questions.

Listen to the audio carefully then answer the question:

Woman: So, what's your usual day like? You always seem so busy.

Man: Well, I usually get up around 5:00 a.m. and work on the computer until 6:00 a.m.

Woman: Why do you get up so early?

Man: Well, I have to leave home at twenty to seven (6:40 a.m.) so I can **catch** a bus at 7:00 o'clock. It takes me about twenty minutes to walk to the bus stop from my house.

Woman: And what time do you get to work?

Man: Uh, my bus takes about an hour to get there, but it stops right in front of my office.

Woman: That's nice. And what time do you get off work?

Man: Uh, around 5:00 o'clock. Then, we eat **dinner** around 6:30, and my wife and I read and play with the **kids** until 8:00 or so.

Woman: So, when do you work on your website? You said one time that you create it at home?

Man: Well, my wife and I often watch TV or talk until 10:00 o'clock. She then often reads while I work on my site, and I sometimes **stay up** until the early hours of the morning, but I try to finish everything by one or two.

Woman: And then you get up at 5:00 a.m.?

Man: Well, yeah, but it's important to live a balanced life. I enjoy what I do, but you have to **set** aside time for the family and yourself.

Woman: I agree.

Man: But I think my wife has the **toughest** job. She spends her whole day **taking care of** our family . . . taking the kids to school, working in the garden, buying **groceries**, taking the kids to piano lessons . . . [*Wow!*] It's a full-time job, but she enjoys what she does.

Woman: Well, it sounds like you're a busy, but lucky man.

Man: I think so too.
