**1-Read the following passage and answer the questions below:**

Sami is a teenager who spends almost all his time on the internet. He wakes up and checks his phone before eating breakfast. At school, he thinks about games and social media instead of his lessons. At night, he stays up late watching videos, so he feels tired the next day. Because of this, Sami does not play sports, and he rarely meets his friends outside. His lifestyle is unhealthy, and he knows he should spend less time online to live better.

**A.Choose the correct answer.**

|                                            |                    |                  |                   |

#### 1-Read the following passage and answer the questions below:

Salem is a Saudi engineer. He studied at a university in Paris. One summer day, when he was on his way to work, he saw some poor people who lived in the open air. Suddenly, he had an idea. He thought of the large land behind his house to build as a home for them. Because he did not have enough money, he started to collect it from the rich people in the city. Everyone was kind and helpful. As an engineer, he began building the houses, and many young people came to help.
